

SHIPPING INSTRUCTIONS

**Due to state-mandated "shelter in place orders,"
please follow the REVISED shipping instructions:**

SAMPLES: We require two samples for testing. Please ship to:

BEEwell Awards
5135 Orrville Avenue
Woodland Hills, CA 91367
424.703.5577

MARKETING MATERIAL:

You may include marketing material, which will be forwarded to the judges.

BATTERIES:

Any necessary batteries must be included in your shipment for the evaluation process to begin.

APPS:

If your app requires codes, please email two codes to hello@BEEwellAwards.com. We prefer extended -- or no expiration dates -- as testing may not occur right away.

FOOD SUBMISSIONS:

We can accept perishable items, but please forward tracking information so we can be on the lookout. **We are putting a hold on full-price product vouchers/coupons to limit visits to retail locations/grocery stores at this time.**

PAYMENT:

Entries must be paid in full (US funds only) prior to the judging process. If paying by check, please make your check payable to HOT DIGGITY MEDIA/BEEwell Awards and mail to our offices in a clearly marked envelope. It is helpful to write the product name on the memo line of the check.
